- More positive controls for speed and maneuverability
- Six month warranty on monitor, 90 day on the computer boards

# RACE!

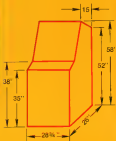

At least a realistic race track requiring definite skills to negotiate the many turns and obstacles (oil slicks and wrecked cars). An evaluation of your driving ability is displayed on the screen upon completion of your run and with practice you'll be ready for the Pro Circuit!

Race is a one or two player game that provides fierce competition for the players and greater earning for you.

Rugged metal foot pedal, steel steering and shift mechanisms, together with an attractive low profile cabinet means Race is a profit winner day after day in any location.

Pristop support in 24 hours! Replacement and repair parts are available on a 24-hour schedule anywhere. Consistent earnings without problems. The name of our game is service.
